

PHLEBO CHAIR

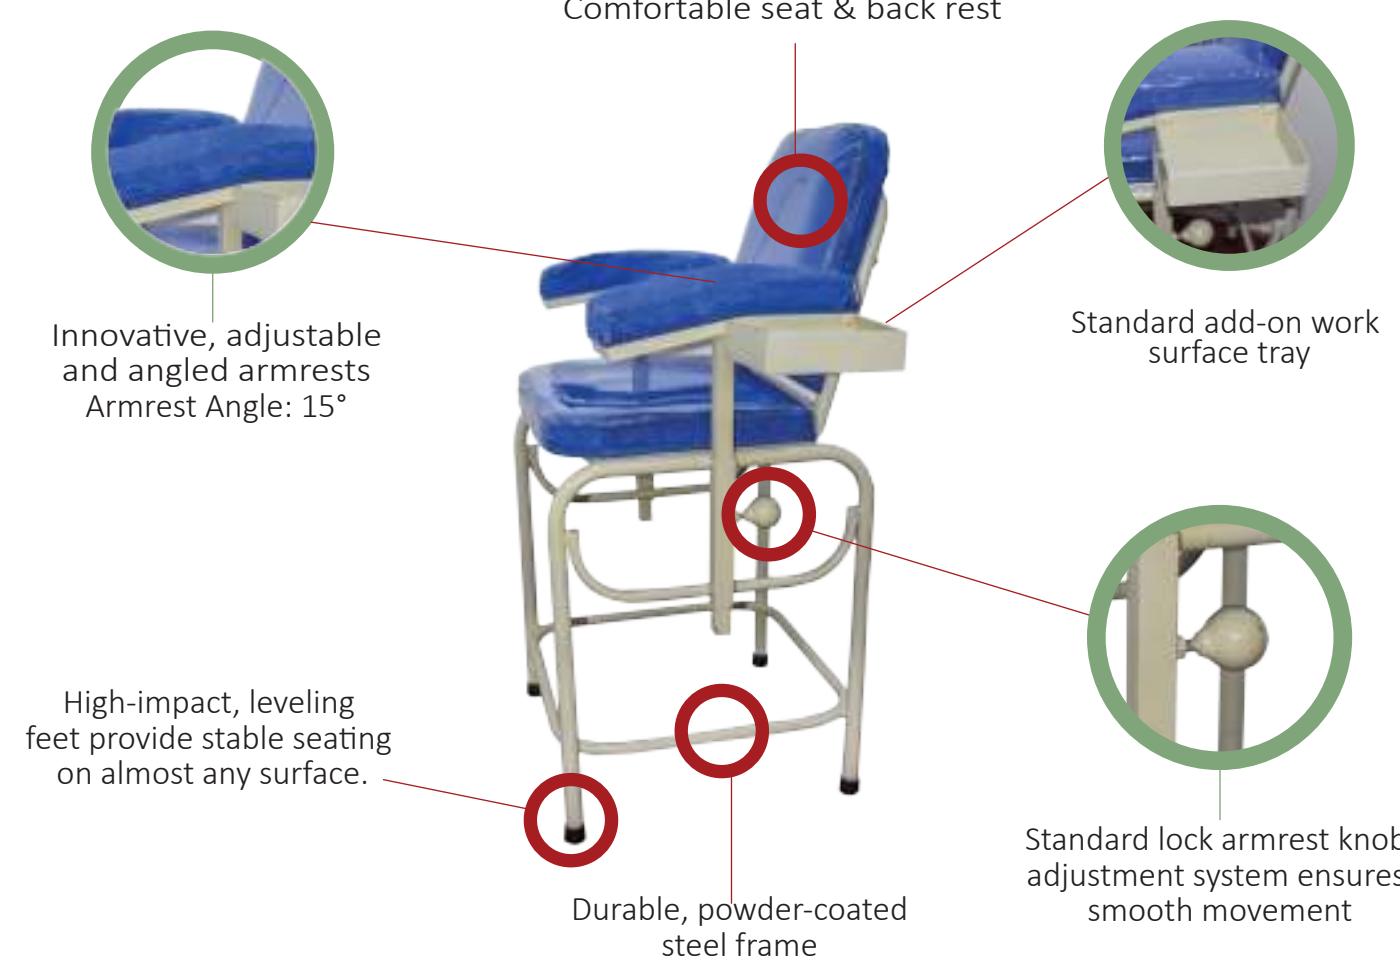

Blood - Drawing Chair

HIGH QUALITY & COMFORTABLE

The MEDRI Phlebo Chair includes add-on work surfaces to accommodate prep materials, paperwork and vials. The optional tray can easily be attached to the left side of the chair. Most importantly these work surfaces are covered in a bacteriological, chemical and fungal resistant material ensuring they are easy to clean and maintain.

- Medri Phlebo Chair features vertical arm rest adjustment, steel reinforced, standard angle armrest for optimal comfort, easy access and with extra safety.
- High-impact, leveling feet provide stable seating on almost any surface.
- Manufactured with sturdy, powder-coated steel frames for maximum strength and years of trouble-free service.
